LAGUNA CLIFFS INN TO BE NEW NAME OF PACIFICA HOTEL COMPANY'S LAGUNA BEACH PROPERTY

New O.C. Wildlife and Beach Package Provides extraordinary Value

LAGUNA BEACH, Calif. – Pacifica Hotel Company – www.pacificahotels.com -- will change the name of its By The Sea Inn to Laguna Cliffs Inn in mid-May to reflect the impressive changes taking place at the hotel.

Located in the heart of scenic Laguna Beach, known for its art galleries, festivals, and beaches, The Laguna Cliffs Inn -- www.lagunacliffsinn.com -- completed phase one of a renovation last year that included a Mediterranean theme for its guest rooms and is now embarking on a project to beautify the exterior:

“After working to enhance the look of the hotel, we really felt we needed a new name,” says Mike Barnard, president of Pacifica Hotel Company. “We hit the history books and found out that this area was once called Laguna Cliffs. The name Laguna Cliffs Inn was a natural,” he adds.

The hotel, one of Laguna Beach’s most popular, has also packaged some of the best of Laguna Beach at 20 percent off. This four-night package includes a discount off a spacious room, as well as a discount off an Orange County wildlife and beach tour, which allows guests to explore the beauty of Southern California beaches up close.

All of the spacious guest rooms at the Laguna Cliffs Inn are non-smoking and built around an open-air courtyard with heated pool and spa. Other amenities include complimentary wireless Internet access, large flat screen TVs, a welcome basket, and umbrellas and beach chairs that can be borrowed to use at the beach, just a block away.
